LITURGY & WORSHIP

From the Pastor's Desk

Good day everyone,

We are blessed to be in this time and to participate in the salvation of Jesus. We are going to endure many trials between now and the return of the Lord but these trials are two-fold: to show our trust in Christ to see us through these times as God did with the Israelites during the 40 years in the desert, and also we endure these times to become stronger in faith and character.

The transitions that we are making to come back to mass are slow and we wish that we didn't have to wear masks practice social distancing or limit the amount of people in the church to 100. Patience. This will happen when the time is right but for now, we must practice obedience and self discipline in order to demonstrate our trust in the Lord.

I know that many people have tried to contact me in recent weeks for various things. Please forgive me for not getting back to you right away. This transition is also time consuming. We have also heard from many people who we haven't spoken to in four months and with the limited amount of time I have not been able to address each of the questions or dilemmas.

Please pray that soon we will be able to allow more than 100 people to attend mass.

God bless you,

Fr. Bob

DID YOU KNOW?- Read-aloud book stories to stretch your relationship with your children

Summer is a good time to instill or develop reading habits in your children. Books are a good source to learn about new things in life and as you read together with your children it can help to strengthen your relationship with them and learn about their emotions or concerns, especially during this time of COVID-19. "Worries, fears, and anxieties are all dragons that sneak up on most of us at one time or another," says the introduction to the book "You've got dragons," authored by Kathryn Cave. "It is the perfect read-aloud story for young children whose fears can sometimes get the better of them." Among books recommended by the American Psychological Association (APA) are: "A feel better book for little worriers," and "My wandering dreaming mind," both in English, and "Respira con facilidad," in Spanish. For more information of the APA's Magination Press Story Time visit, <https://www.facebook.com/MaginationPressAPA/>.

Stay current on your giving. We are grateful for your support of our church. Online giving allows you to make contributions without writing checks or worrying about cash donations. LITURGIA, ADORACIÓN Y MAS

Buen día a todos,

Somos bendecidos de estar en este tiempo y de participar en la salvación de Jesús. Vamos a soportar muchas pruebas desde ahora hasta el regreso del Señor, pero estas pruebas son dobles: mostrar nuestra confianza en Cristo para vernos a través de estos tiempos como lo hizo Dios con los israelitas durante los 40 años en el desierto, y También soportamos estos tiempos para ser más fuertes en la fe y el carácter. Las transiciones que estamos haciendo para volver a la misa son lentas y deseamos no tener que usar máscaras, practicar el distanciamiento social o limitar la cantidad de personas en la iglesia a 100. Paciencia. Esto sucederá cuando sea el momento adecuado, pero por ahora, debemos practicar la obediencia y la autodisciplina para demostrar nuestra confianza en el Señor. Sé que muchas personas han tratado de contactarme en las últimas semanas por varias cosas. Por favor, perdóname por no responderte de inmediato. Esta transición también lleva mucho tiempo. También hemos tenido noticias de muchas personas con las que no hemos hablado en cuatro meses y con el tiempo limitado que no he podido abordar cada una de las preguntas o dilemas. Oremos para que pronto podamos permitir que más de 100 personas asistan a misa.

Dios te bendiga,

Padre Bob

Salvaguardar A Los Niños

¿SABÍA QUE? Historias de lectura en voz alta para estrechar la relación con sus hijos

El verano es un buen tiempo para enseñar o desarrollar el hábito de la lectura en sus hijos. Los libros son un buen recurso para aprender nuevas cosas en la vida, y mientras usted lee junto con sus hijos, ello puede ayudarle a fortalecer su relación con ellos y a conocer más sobre sus emociones y preocupaciones, especialmente en este tiempo de COVID-19. "Las preocupaciones, los miedos y las ansiedades son todos dragones que se nos acercan sigilosamente en algún momento", dice la introducción del libro en inglés "You've got dragons", de la autora Kathryn Cave. "Es una historia perfecta para leer en voz alta a sus hijos pequeños, cuyos miedos pueden algunas veces apoderarse de ellos". Entre algunos libros recomendados por la Asociación Americana de Psicología (APA, por sus siglas en inglés), está el libro en español, "Respira con facilidad", y los libros en inglés, "A feel better book for little worriers" y "My wandering dreaming mind".
