## LITURGY & WORSHIP

### Intercessory Prayer

If you are seeking Physical, Emotional, or Spiritual Healing from God for yourself or a family member the intercessory group is here for you. Simply email a brief, prayer request to: [jroman@stdidacus.org](mailto:jroman@stdidacus.org) Your prayer request will be passed on to our Intercessory Team who pray for God's healing grace in your life. Prayer requests are held in confidence and are known only to the prayer intercessors.

### The Master Storyteller

In today's Gospel, Jesus is presented to us as the master storyteller. He loved to use parables as a tool for comparing one thing to something else. In most of his parables, Jesus revealed who God is by comparing God's essence or actions with something familiar to his listeners. In the parable of the mustard seed, Jesus proclaims a marvelous and irrefutable truth. His small band of disciples, as insignificant as they may have felt, would one day produce a mighty kingdom whose growth was initiated by God. The seeds of this kingdom were planted by God and it is God who will harvest the fruit brought forth from those seeds. The extent of the growth of God's kingdom cannot be predicted. We must trust the work of the Master's hand as we, the mustard plant, grow and grow.

### Un Excelente Cuentista

*En el Evangelio de hoy, se nos presenta a Jesús como un excelente cuentista. A él le gustaba contar parábolas como una forma para comparar esto de aquello. En muchas de las parábolas, Jesús revela quien es Dios al comparar la naturaleza o acciones de Dios con alguna situación conocida de su audiencia. En la parábola de la semilla de mostaza, Jesús proclama una verdad maravillosa e irrefutable. Su pequeño grupo de discípulos, tan insignificantes como ellos se hubieran sentido, un día producirán un reinado poderoso cuyo crecimiento lo comenzó Dios. Las semillas de este reino fueron plantadas por Dios y es Dios quien cosechará el fruto producido por esas semillas. No se puede predecir que tanto crecerá el Reino de Dios. Debemos confiar el trabajo de las manos del dueño, así como nosotros, al igual que la semilla de mostaza, crece y crece.*

## Safeguard The Children

**DID YOU KNOW?** Hit the park safely this summer

A great way to beat summer boredom is to head out to the park and play. For many parents, parks provide the space and place for children to play with others and burn off some energy by running around and exploring. However, even in your own neighborhood parks, parents should be vigilant, and should prepare children with basic safety guidelines. Go over the posted rules of the playground with your children, and make sure they understand the boundaries of where they can and cannot play. **¿SABÍA USTED?** *Vaya al parque con seguridad este verano*

*Una gran manera de vencer el aburrimiento de verano es salir al parque y jugar. Para muchos padres, los parques proporcionan el espacio y el lugar para que los niños jueguen con otros y quemem algo de energía corriendo y explorando. Sin embargo, incluso en sus seguridad propios parques de la vecindad, los padres de familia deben estar atentos y deben preparar a los niños con las pautas básicas de ad. Revise con sus hijos las reglas del área de juegos del parque, y cerciórese de que ellos entiendan los límites de donde pueden y no pueden jugar.
